# Passionate Teams:

## Inspired Action. Meaningful Results.

### What Past Participants Have Said

*"This program is fantastic for deepening our understanding of each other so we can work better as a team!"*

*"Passionate Teams shows you how to align yourself with each other and to create shared values, goals and measures."*

*"This program helped me get much better acquainted with my team and appreciate their goals and drivers."*

*"This was a very interesting way of looking at work relationships and building communities of learners."*

## LEARNING OUTCOMES

- Align your team's work objectives with corporate objectives.
- Use values and establish goals in ways that inspire passion.
- Structure your work processes in ways that promote the drivers of engagement.
- Create a deep awareness of what is meaningful and what generates feelings of progress.
- Identify and overcome what is blocking or inhibiting performance.
- Remove destructive behaviours: Gripping, Rushing, Obsessing, Coasting, Procrastinating, Boredom.
- Foster working relationships that nurture cohesion, caring and collaboration.
- Create a framework in which your team will feel fulfilled by their work.
- Review key actions a team must take, especially the role of feedback and celebration.
